Students In March To New Grade School

By GWEN BARKAN
Torrance 3184-J

At 2 p.m. last Friday afternoon Carson residents lined Dolores St., between Carson and 223rd, and the streets between Catskill and 223rd, to watch the march of students from the Carson and Catskill schools to a new school—the Dolores St. Elementary School. The parade

of the Board of Education and parent-teacher associations were presented. Music for the ceremony was played by the Wilmington Junior High School Band. The new district is most fortunate in having such a fine man as Mr. Carter to head the school. He comes from Bandini School in San Pedro. The opening of the new school also means the end of half-day sessions at Carson and Catskill schools, much to the joy of the parents and disgust of the students!

Founder's Day was observed by Carson St. P.T.A. Feb. 19 at Carson St. School. Past presidents and principals were the honored guests. Each was presented with a lovely corsage made of fiber flowers, and regalia seals. Mrs. Jans Spence, last year's president, was the surprised recipient of the Honorary Life Membership presented by the association. Mrs. R. Carter made the presentation. A piano solo, "Skaters Waltz" played by Danny Spence and a tree-planting ceremony, completed the program. Refreshments for the social hour were planned and served by Mrs. M. Jones, room mother chairman, and the fourth grade room mothers. Appropriate decorations were prepared by Mrs. F. Roller, and were in the theme of Washington's birthday.

Avalon Sepulveda Park and playground have been the scene of several tournaments this past week. The finalists in the yo-yo contests were, for the girls, Sharon Acton and for the boys, Jerry Method. These two winners will be in the West District finals to be held in Ladera Park, Sauson and La Brea. The winner here enters the city-wide competition. Winner in the contest preceding Saturday's was Jimmy Anderson, 21723 S. Neptune Ave.

In a ping-pong contest, also sponsored by the park, winners in the junior classification were Sharon Acton, first; Delwin Former, second, and Gary Howard third place.

The Pee Wee basketball team beat the Athens Park five to win seven out of their eight games. They will play off with Roosevelt Park for district championship. Incidentally, the only other game they've lost was to this Roosevelt Park Team. Players are Henry Gomez, Finis Irvin, Jimmy Bergman, Lynn Harris, Mike Ralph, Stanley Kula, Gary Howard, and Loren Dome. Stanley Kula has been high-point man with 60 points scored in seven games. Jimmy Bergman in second, having scored 48 points in nine games. The park management announces that it will hold softball practice for boys 11 to 17 years of age each afternoon at 4:00.

Mrs. D. Rastrom announces that the executive board of the Dominguez Coordinating Council will be held March 6 at 10 a.m. in the cafeteria at Banning High School. The open meeting will be announced after a decision has been reached as to where it will be held. The council, in cooperation with the Carson Chamber of Commerce, have succeeded in having a crossing guard stationed at the dangerous intersection of Sepulveda and Panama. Stop signs have been placed on Wilmington Blvd. at the 223rd and Sepulveda crossings.

SWOLLEN NOGGIN HINTS OF ACCIDENT INJURIES

He didn't know what hit him. When a speeding car spun James Sandoval, 42, head over heels as he was walking along Western Ave., north of Lomita Blvd., about 11 p.m. Sunday, he just picked himself up, decided he was unhurt, and walked the rest of the way to his home at 1815 W. Lomita Blvd., Harbor City. But the next morning when he woke up with a swollen head he thought it wouldn't be a bad idea to go to a doctor for a check-up. The doctor sent him to Harbor General Hospital with a fractured jaw, possible fractured skull, and internal injuries. Police, who didn't learn of the incident until late Monday, are looking for the hit-run motorist.
